

SPECIAL PROMOTION

Thermo Scientific Heraeus General Purpose Centrifuges

Unmatched capacity,
performance and ease-of use
in a remarkably small footprint

Improve productivity with the industry-leading capacity, versatility and ergonomic design of our 4x400 ml and 4x750 ml general purpose centrifuges, featuring breakthrough Thermo Scientific technologies – *now with FREE ROTOR and BUCKETS with each centrifuge purchase.*

- ▶ **Easy and secure Auto-Lock® rotor management** facilitates rotor exchange in less than 3 seconds with just the push of a button for application versatility and cleaning convenience
- ▶ **Certified ClickSeal® bucket sealing system** provides glove-friendly, one-handed snap-on covers to replace screw caps and clips
- ▶ **Thermo Scientific Fiberlite carbon fiber rotors** enable higher g-force (up to 25,000), faster speeds and increased capacity

Heraeus® Multifuge® X1 and Multifuge X3 centrifuges. With the latest user interface and extensive rotor selection providing 23+ rotor configurations, meet all processing needs at RCF up to 25,000 xg.

Heraeus Megafuge® 16 and Megafuge 40 centrifuges. Accelerate your research by processing 4 to 40 x 50 ml conical tubes or from 32 to 196 blood tubes with our extensive selection of biocontainment rotor solutions, all requiring minimum bench space.

Choose from a variety of benchtop centrifuges to meet all your lab needs —

→ Purchase a Centrifuge

→ Receive a FREE Rotor and Buckets
