

Special Offer

Purchase a Thermo Scientific Orion 3, 4, or 5 Star Benchtop or DUAL STAR™ meter and receive a FREE Stirring Probe.

Ideal for Laboratory pH and ISE Measurements

The Star meter series offers sophisticated technology with simple operation and exceptional long life performance.

- Powers and controls the automatic stirring probe speed
- SMART STABILITY and SMART AVERAGING functions for automatically optimized accuracy, precision and response time
- Storage of up to 10 password protected methods for easy retrieval of operation procedures
- 3 year replacement warranty

Thermo Scientific Orion Stirring Probes

- Conveniently plugs into the back panel of benchtop Star meters for stirrer power, speed and control
- Compatible with all Orion 3-Star, 4-Star, 5-Star, and DUAL STAR benchtop meters

It is so easy-to-use! Plug the stirring probe into the back panel of an Orion Star meter and place it into an electrode stand with the measuring electrode. Control the on/off function and stirring speed using the Orion Star meter controls. Simply insert the stirring probe into a sample and rinse it between measurements.
